Next Toronto GBS/CIDP Support Group Meeting

**Sunday December 2nd, 2018 from 2–4 pm.
Northern District Library, Room 200
40 Orchard View Blvd. (near Yonge and Eglinton)**

Topic: Supporting a Loved One with GBS or CIDP

with Special Guest: Toronto Film Maker Ali Greene and a showing of Ali's 10 minute film **Getting Better Slowly**

Last spring Ali's younger sister Evelyn contracted GBS. Ali will speak about her experience supporting her sister, the impact of GBS on herself and the whole family as observers and caregivers for Evelyn and the perhaps unexpected benefits that the journey brought them, along with its challenges and heartbreak.

As a film maker Ali was in a unique position to capture the whole experience from acute care through rehab and recovery with a powerful and poignant film that documents her sister's brave and determined battle with this devastating illness.

Ali will speak and show the film in the first half of the meeting. The second half will be devoted to **discussion of pertinent issues, concerns, ideas, information sharing and support** amongst the group members.

All are welcome, especially caregivers, family friends and supporters!

See you soon!
