

Coquitlam 2025

Walk & Roll Sponsorship

The Coquitlam Walk & Roll for GBS/CIDP is our flagship event for the GBS, CIDP, and MMN community. Each walk is dedicated to raising awareness and rallying local support to ensure that every GBS, CIDP, and MMN patient in our city receives the essential support and care they require.

Join us in realizing our vision where every individual impacted by GBS, CIDP, MMN, or their variants has easy access to timely and accurate diagnosis, affordable treatments, and reliable support services.

With your support, we can continue to make meaningful strides in improving the lives of those impacted by these conditions.

What benefits does a Walk and Roll sponsorship offer?

- Showcase your business as a caring community partner
- Boost your local visibility
- Become a local champion for people in your city affected by GBS, CIDP, MMN and their variants

What does the GBS/CIDP Foundation of Canada do for patients?

The GBS/CIDP Foundation of Canada was founded by patients, for patients. We are unwavering in our mission to support individuals and families affected by GBS, CIDP, and related conditions. Our goal is to ensure that each patient receives a timely diagnosis and appropriate treatment.

What is GBS, CIDP, and MMN?

Guillain-Barré Syndrome (GBS), Chronic Inflammatory Demyelinating Polyneuropathy (CIDP), and their variants such as Multifocal Motor Neuropathy (MMN), are rare conditions which are paralyzing and potentially catastrophic inflammatory disorders of the peripheral nerves. GBS, CIDP, and MMN have a slow and unpredictable recovery. Earlier diagnosis, treatment, and access to rehabilitation services can greatly improve the chances of avoiding permanent lifelong residual damage of the nerves.

Foundation Facts

The GBS/CIDP Foundation of Canada is passionately dedicated to enriching the lives of individuals and families affected by GBS, CIDP, and related conditions. Our unwavering commitment to our community is grounded in four fundamental pillars: offering vital support, promoting education, driving forward groundbreaking research, and courageously advocating for the needs of those we serve.
